

LAND ACQUISITION

On going projects : 1) Land Acquisition for Elevated Corridors
2) Land Acquisition for Green Field Radial Road

1) STATUS OF LAND ACQUISITION ON ELEVATED CORRIDORS

The proposed road is the construction of two Elevated Corridors from Paradise Junction to Shamirpet ORR Junction on Rajiv Rahadari (SH-01) (18.10 Km) and from Paradise Junction to Dairy Farm Road (NH – 44) (5.32 Km). The proposed roads pass through private and Defence assets.

Private Land Under Acquisition:

Sl.No	Description	NH-44 Hyderabad	SH-01, Hyderabad	SH-01, Medchal – Malkajigiri
1	Extent of Land under Acquisition	Ac. 12-33gts	Ac.32-14 gts	Ac. 30.00 gts

The land acquisition proceedings for the Elevated Corridor projects are under progress. Necessary statutory procedures for acquisition of private lands and coordination with Defence authorities are being carried out in a phased manner. Action is being taken for early completion of land acquisition to facilitate execution of the project.

2) STATUS OF LAND ACQUISITION ON GREEN FIELD RADIAL ROAD

- The proposed road will connect Outer Ring Road at Raviryala to Regional Ring Road at Amangal passing through Future City at Meerkhanpet with 100 meter right off way.
- Total length 41.50 Km.

Sl.No	Description	Phase-I	Phase-II
1	Extent of Land under Acquisition	Ac. 477-11gts	Ac. 554-14 gts

The land acquisition proceedings for the Green Field Radial Road project are under progress in Phase-I and Phase-II. Necessary surveys, notifications and other statutory procedures are being undertaken for acquisition of the required lands. Efforts are being made for expeditious completion of the land acquisition process for implementation of the project.
